# AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks.

MaltSmith is distilled from a brewer-style recipe that combines pale malt and caramelized malts, then matures in charred New American Oak casks to create our flagship American Single Malt Whiskey. Developed by our founders and known previously as our “Five Malt” recipe.

**Bottle Price**

\$59.99 (\$74.93 w/ tax)

FarmSmith celebrates the barley fields of Washington by exploring the impact of single variety, single farm, and single growing year barley in this ever-changing whiskey. While this expression will always be part of our lineup, each release will feature a different barley varietal, farm, and/or growing year.

**Bottle Price**

\$69.99 (\$86.98 w/ tax)

PeatSmith explores the unique flavors that local smoke contributes to our whiskey. Crafted from barley malted with smoke from peat harvested from Washington’s Olympic Peninsula, PeatSmith offers a smoky profile that is both mellow and distinct from traditional peated whiskeys.

**Bottle Price**

\$79.99 (\$99.03 w/ tax)

**Single Cask No. 82-2**  
Kenmore Exclusive!

Our first Kenmore exclusive release. Cask No. 82-2 is brewed and distilled from pale malted barley and matured for 6 years in a refilled Copperworks American Single Malt Whiskey Cask. Only available at this location while supplies last. Limited release of 211 bottles. 65.5% ABV.

**Bottle Price**

\$89.99 (\$111.27 w/ tax)

## GIN

Just like our whiskey, our gins are crafted from a base of malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive.

### Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. 47% ABV

**Bottle Price**

\$38.95 (\$49.76 w/ tax)

### Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. 50% ABV

**Bottle Price**

\$44.95 (\$56.99 w/ tax)

### Spanish Brandy Cask Gin

Our gin rested in a Spanish brandy cask for over two years, then transferred to at refilled Copperworks Whiskey cask for two more years. 50% ABV

**Bottle Price**

\$49.95 (\$63.02 w/ tax)

### Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for about nine months. 33.5% ABV

**Bottle Price**

\$59.89 (\$75 w/ tax)

## VODKA

You guessed it: our vodka is also crafted from a base malted barley. We then bottle the vodka unfiltered so the character of the locally grown malted barley can shine.
