AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks.

ORIGINAL MALTSMITH FIVE MALT MASH BILL

Maltsmith is distilled from a brewer-style recipe that combines pale malt and caramelized malts, then matures in charred New American Oak casks to create our flagship American Single Malt Whiskey. Developed by our founders and known previously as our “Five Malt” recipe.

50% ABV

\$59.99 (\$74.93 w/ tax)

SINGLE ORIGIN FARMSMITH WASHINGTON BARLEY

Farmsmith celebrates the barley fields of Washington by exploring the impact of single variety, single farm, and single growing year barley in this ever-changing whiskey. While this expression will always be part of our lineup, each release will feature a different barley varietal, farm, and/or growing year.

50% ABV

\$69.99 (\$86.98 w/ tax)

MALTED PEATSMITH WITH WASHINGTON PEAT

Peatsmith explores the unique flavors that local smoke contributes to our whiskey. Crafted from barley malted with smoke from peat harvested from Washington’s Olympic Peninsula, Peatsmith offers a smoky profile that is both mellow and distinct from traditional peated whiskeys.

50% ABV

\$79.99 (\$99.03 w/ tax)

Single Cask No. 322 Aquarium Benefit Cask

A special release to celebrate the opening of the Seattle Aquarium’s new Ocean Pavilion. Distilled from Salmon Safe Genie barley and matured for five years and six months in new American oak. **\$10 from each bottle sold will be donated to the Seattle Aquarium.**

50% ABV

\$89.99 (\$111.27 w/ tax)

GIN

Just like our whiskey, our gin and vodka are crafted from 100% malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive. We take our gin even further with various expressions and special cask finished releases.

Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. With hints of citrus and coriander, this gin has a distinct aroma and balanced flavor.

47% ABV

\$38.95 (\$49.76 w/ tax)

Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. Finishing in the cask has softened the juniper notes and brought forward notes of cinnamon and vanilla.

50% ABV

\$44.95 (\$56.99 w/ tax)

Brandy Cask Finished Gin

Our Small Batch Gin rested in a Spanish brandy cask for over two years, then was transferred to one of our casks previously used for Copperworks American Single Malt whiskey for two more years.

50% ABV

\$49.95 (\$63.02 w/ tax)

Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for approximately nine months. The plums give their beautiful color and flavor, plus a touch of sweetness to this gin.

29.4% ABV

\$59.89 (\$75 w/ tax)

VODKA

Our vodka is distilled from a high-quality craft beer without hops, then is bottled unfiltered so the flavors of locally grown barley remain the highlight with a soft, round mouth feel.

Small Batch Vodka

40% ABV

\$38.95 (\$49.76 w/ tax)
