AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks.

ORIGINAL MALTSMITH FIVE MALT MASH BILL

Maltsmith is distilled from a brewer-style recipe that combines pale malt and caramelized malts, then matures in charred New American Oak casks to create our flagship American Single Malt Whiskey. Developed by our founders and known previously as our "Five Malt" recipe.

50% ABV

\$49.99 (\$62.88 w/ tax)

SINGLE ORIGIN FARMSMITH WASHINGTON BARLEY

Farmsmith celebrates the barley fields of Washington by exploring the impact of single variety, single farm, and single growing year barley in this ever-changing whiskey. While this expression will always be part of our lineup, each release will feature a different barley varietal, farm, and/or growing year.

50% ABV

\$69.99 (\$86.98 w/ tax)

MALTED PEATSMITH WITH WASHINGTON PEAT

Peatsmith explores the unique flavors that local smoke contributes to our whiskey. Crafted from barley malted with smoke from peat harvested from Washington's Olympic Peninsula, Peatsmith offers a smoky profile that is both mellow and distinct from traditional peated whiskeys.

50% ABV

\$79.99 (\$99.03 w/ tax)

BOTTLE YOUR OWN Single Cask No. 128-2

GIN

Just like our whiskey, our gins are crafted from malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive. We take our gin even further with various expressions and special cask finished releases.

Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. With hints of citrus and coriander, this gin has a distinct aroma and balanced flavor.

47% ABV

\$38.95 (\$49.76 w/ tax)

Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. Finishing in the cask has softened the juniper notes and brought forward notes of cinnamon and vanilla.

50% ABV

\$44.95 (\$56.80 w/ tax)

"Matt" Beer Cask Finished Gin

Our Small Batch Gin finished for 8 months in a cask that previously held Hair of the Dog Brewing's Matt Strong ale, and, originally, sherry. This special release only produced about 300 bottles.

50% ABV

\$49.95 (\$63.02 w/ tax)

Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for approximately nine months. The plums give their beautiful color and flavor, plus a touch of sweetness to this gin.

29.4% ABV

\$44.95 (\$56.80 w/ tax)

SPECIAL RELEASE

Single Cask 22-2

Crafted from our Five Malt recipe, this whiskey was matured for over 7 years in one of our own previously used American Single Malt whiskey casks. The use of a refilled cask ensures that the distinct character of the Five Malt recipe shines through.

60% ABV

\$89.99(\$111.27 w/ tax)

Single Cask 448

Single Cask No. 448 was crafted from three varieties of barley: Fritz Vienna, Fritz Pale, and Genie Pale. The whiskey matured in a new American Oak cask from Kelvin Cooperage, char #2, for just over three years.

59.75% ABV

\$89.99 (\$111.27 w/ tax)

Port Cask

This American Single Malt is distilled from our Five Malt recipe, matured for just under 7 years in a refilled American Single Malt Whiskey cask, and finished for another 7 months in a cask previously used to mature the local port-style wine, Whidbey's Port.

50% ABV

\$89.99 (\$111.08 w/ tax)

Color Cask

This American Single Malt Whiskey was matured in a 200-year-old color cask: the rare and special result of a fading practice in the world of sherry production. It was matured for just under 5 years, resulting in a rich and intense sherried-whiskey, unlike any we've ever tasted.

50% ABV

\$149.99 (\$183.38 w/ tax)

Our vodka is distilled from a high-quality craft beer without hops, then is bottled unfiltered so the flavors of locally grown barley remain the highlight with a soft, round mouth feel.
