

Enjoy our Distillery and Tasting Room for Your Special Events

Your guests will enjoy our spacious tasting room which features a floor-to-ceiling view of our four mammoth copper stills. The tasting room has soaring ceilings, warm comfortable décor, comfortable seating and excellent natural light from the west-facing view of Seattle's waterfront.

Capacity: 75

Pricing: Starts at \$800.

Price is based on the timing of your event and the range of services to be provided.

Services

- Guided tastings of Copperworks Gin and Vodka
- Behind-the-scenes tours of the distillery
- Bartending services and referrals to caterers available

Amenities

- One large antique serving bar
- Six 5 ft. long bar-height tables with padded stools
- Excellent, unimpeded views of distilling area
- ADA-compliant restroom, egress and lift
- Glass washer/sanitizer and hand sink
- Large 2-compartment sink with sprayer
- West-facing, downtown waterfront location
- Attractions within walking distance: Pike Place Market, Argosy Cruises, Seattle Great Wheel, SAM and more

About Copperworks Distilling Company

Copperworks Distilling is a distillery and tasting room located on the downtown Seattle waterfront. We create small-batch spirits in traditional Scottish copper stills from a base of malted barley (essentially beer). We offer gin and vodka now, and have all-malt whiskey aging in oak barrels. We offer tastings, tours and a warm, enjoyable environment to learn about the history and production of fine distilled spirits.
