AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks. Each release is unique; each a new discovery.

Release 047

Crafted from four casks made from our signature Five Malt recipe and nine casks made from Baroness Pale malt. The Five Malt casks matured for 3 years and 9 months while the Baroness casks matured for 3 years.

50% ABV

\$69.99 (\$87.17 w/ tax)

Release 048

Crafted from a portion of Release 047, plus a small amount of whiskey made from pale malt that matured in a Manzanilla sherry cask for 5 and a half years. This sherried whiskey accounts for just 7.5% of the overall blend.

50% ABV

1,310 Bottles Produced

\$69.99 (\$87.17 w/ tax)

Single Cask No. 410

This limited release was crafted from a single variety of pale malt called Fritz from the nearby Skagit Valley, then matured in a new American Oak cask for just over 3 years and was bottled at cask strength.

60.35% ABV

211 Bottles Produced

\$89.99 (\$111.27 w/ tax)

Single Cask No. 332

Bottle Your Own!

Crafted from Fritz barley that was grown in the Skagit Valley 70 miles north of Seattle. This new American Oak cask has matured for over 4 years. Fill your very own bottle by hand today!

GIN & VODKA

Just like our whiskey, our gin and vodka are crafted from 100% malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive. We take our gin even further with various expressions and special cask finished releases.

Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. With hints of citrus and coriander, this gin has a distinct aroma and balanced flavor.

47% ABV

\$38.95 (49.76 w/ tax)

Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. Finishing in the cask has softened the juniper notes and brought forward notes of cinnamon and vanilla.

50% ABV

\$44.95 (56.99 w/ tax)

Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for approximately nine months. The plums give their beautiful color and flavor, plus a touch of sweetness to this gin.

29.4% ABV

\$59.89 (\$75 w/ tax)

Small Batch Vodka

Our vodka is distilled from a high-quality craft beer without hops, then is bottled unfiltered so the flavors of locally grown barley remain the highlight with a soft, round mouth feel.

40% ABV

\$38.95 (49.76 w/ tax)

SPECIAL RELEASE GINS

From the Hair of the Dog Cask Finished Collection, a collaboration with the legendary Hair of the Dog Brewing Co. from Portland, OR, which closed in early 2022. We finished two gins and two whiskeys (now sold out) in casks previously used by Hair of the Dog, resulting in unique beer-forward flavors.

"Matt" Cask Finished Gin

Finished for 8 months in a cask that previously held Hair of the Dog Brewing's Matt Strong ale, and, originally, sherry.

50% ABV

319 Bottles Produced

\$49.95 (\$63.02 w/ tax)

"Adam" Cask Finished Gin

Finished for 8 months in a cask that previously held Hair of the Dog Brewing's Adam ale and, originally, bourbon.

47.05% ABV

198 Bottles Produced

\$49.95 (\$63.02 w/ tax)

SNACKS
