AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks. Each release is unique; each a new discovery.

Release 047

Crafted from four casks made from our signature Five Malt recipe and nine casks made from Baronesse Pale malt. The Five Malt casks matured for 3 years and 9 months while the Baronesse casks matured for 3 years.

Release 048

Crafted from a portion of Release 047, plus a small amount of whiskey made from pale malt that matured in a Manzanilla sherry cask for 5 and a half years. This sherried whiskey accounts for just 7.5% of the overall blend.

Barleywine Cask

Crafted from our Five Malt recipe, this whiskey first matured in a refilled American Oak cask for 7 years. It was then transferred to a cask that previously held Urban Family Brewing's Treehouse in the City Barleywine, where it finished for 25 days.

GIN

Just like our whiskey, our gin and vodka are crafted from 100% malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive. We take our gin even further with various expressions and special cask finished releases.

Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. With hints of citrus and coriander, this gin has a distinct aroma and balanced flavor.

47% ABV

\$38.95 (\$49.76 w/ tax)

Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. Finishing in the cask has softened the juniper notes and brought forward notes of cinnamon and vanilla.

50% ABV

\$44.95 (\$56.99 w/ tax)

Tonic Cask Finished Gin

Our Small Batch Gin finished for 5 months in a cask that previously held Bradley's Kina Tonic, and, originally, a Kentucky bourbon. This special release only produced about 200 bottles.

50% ABV

\$49.95 (\$63.02 w/ tax)

Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for approximately nine months. The plums give their beautiful color and flavor, plus a touch of sweetness to this gin.

29.4% ABV

\$59.89 (\$75 w/ tax)

VODKA

Our vodka is distilled from a high-quality craft beer without hops, then is bottled unfiltered so the flavors of locally grown barley remain the highlight with a soft, round mouth feel.
