## AMERICAN SINGLE MALT WHISKEY

Maltsmith is distilled from a brewer-style recipe that combines pale malt and caramelized malts, then matures in charred New American Oak casks to create our flagship American Single Malt Whiskey. Developed by our founders and known previously as our "Five Malt" recipe.

### Bottle Price

\$49.99 (\$62.88 w/ tax)

Farmsmith celebrates the barley fields of Washington by exploring the impact of single variety, single farm, and single growing year barley in this ever-changing whiskey. While this expression will always be part of our lineup, each release will feature a different barley varietal, farm, and/or growing year.

### Bottle Price

\$69.99 (\$86.98 w/ tax)

Peatsmith explores the unique flavors that local smoke contributes to our whiskey. Crafted from barley malted with smoke from peat harvested from Washington's Olympic Peninsula, Peatsmith offers a smoky profile that is both mellow and distinct from traditional peated whiskeys.

### Bottle Price

\$79.99 (\$99.03 w/ tax)

Bottled only for Copperworks Kenmore, this single cask release is the result of a "Queen's Run" from our Five Malt recipe and single varietal genie malt. It was matured in a refilled American Single Malt Whiskey cask for 7 years & 8 months.

### Bottle Price

\$89.99 (\$111.27 w/ tax)

## SPECIAL RELEASE WHISKEY

### Single Cask 497

Brewed and distilled from 100% Fritz variety barley grown in Washington's Skagit Valley, this whiskey was smoked during the malting process with Washington-sourced peat and matured for 4 years and 3 months in a new American oak cask. 59.7 ABV.

### Bottle Price

\$89.99 (\$111.27 w/ tax)

### Single Cask 448

Crafted from three varieties of barley: Fritz Vienna, Fritz Pale, and Genie Pale. The whiskey matured in a new American Oak cask from Kelvin Cooperage, char #2, for just over three years. 59.75% ABV.

### Bottle Price

\$89.99 (\$111.27 w/ tax)

### Port Cask

This American Single Malt is distilled from our Five Malt recipe, matured for just under 7 years in a refilled American Single Malt Whiskey cask, and finished for another 7 months in a cask previously used to mature local port-style wine, Whidbey's Port. 50% ABV.

### Bottle Price

\$89.99 (\$111.08 w/ tax)

### Color Cask

Whiskey matured in a 200-year-old color cask; the rare special result of a fading practice in the world of sherry production. It was matured for just under 5 years, resulting in a rich and intense sherried-whiskey, unlike any we've ever tasted. 50% ABV.

### Bottle Price

\$149.99 (\$183.38 w/ tax)

## GIN

### Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. 47% ABV.

### Bottle Price

\$38.95 (\$49.76 w/ tax)

### Cask Finished Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. 50% ABV.

### Bottle Price

\$44.95 (\$56.99 w/ tax)

### "Matt" Beer Cask Gin

Our Small Batch Gin is finished for 8 months in a cask that previously held Hair of the Dog Brewing's Matt Strong Ale, and originally, sherry. 50% ABV.

### Bottle Price

\$49.95 (\$63.02 w/ tax)

### Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for about nine months. 33.5% ABV.

### Bottle Price

\$44.95 (\$56.80 w/ tax)

## VODKA

You guessed it: our vodka is also crafted from a base malted barley. 40% ABV.

### Bottle Price

\$38.95 (\$49.76 w/ tax)
